Intitulé : Operating of a New Aviation Fuel Facility

Description : The Contracting Entity wishes to appoint an experienced Operator to operate, maintain and manage the new Fuel Facility at the Airport. The Contracting Entity will remain owner of the Fuel Facility. The new Fuel Facility shall be operated by the Operator under the Open Access principle.
The operating proposal for the new Fuel Facility is:

- to operate, maintain and manage the new Fuel Facility for supply of JET A-1, so developed and built by the Building Contractor and the existing P10 cargo apron hydrant system for a fixed term of 10 (ten) years;
- to undertake technical operational responsibilities for the provision of additives for supply of F34 for military/NATO use.

Critères de sélection : All the conditions are mentioned in the RFQ

Modalités visite des lieux/réunion d'information : No site visits are planned to take place during the RFQ Phase.

Conditions d'obtention du dossier : The RFQ documents for the submission of the applications shall be downloaded from the Luxembourgish public procurement portal by searching for the above mentioned tender on their official site (https://pmp.b2g.etat.lu/) in accordance with the Luxembourg law dated April 8, 2018 on public procurement.

Réception des plis : Submission of applications may only take place via upload to the Luxemburgish public procurement portal on their official site (https://pmp.b2g.etat.lu/) under requirement of Luxembourg law. It should be noted that in order to submit documents through the Luxemburgish public procurement portal and sign them electronically, tenderers must register via said portal either by using Luxtrust certificates (https://www.luxtrust.com/en) or alternative means. For additional information please consult the following address:
(https://marches.public.lu/fr/procedures/dematerialisation/authentification-signature.html).
Tenderers acknowledge that the contracting entity has no other choice under Luxembourg Law than to disregard applications delivered by any other means than through the appropriate channels of the Luxemburgish public procurement portal and that the contracting entity cannot take actions on their behalf to further accommodate them in this regard.
