Avis de marché

Procédure : européenne ouverte

Type de marché : Fournitures

Ouverture le 25/05/2020 à 10:00.

Intitulé : IT Software Resellers for the supply of IT standard Software & related Services

Description : The scope of the IT Software Resellers Framework Agreement covers the acquisition of IT standard Software products and related Services. In particular: 1) licences for on premise standard Software or for standard Software hosted by a third party on perpetual or subscription basis, as well as maintenance and support services for new and existing licences; 2) Use rights for SaaS services; 3) Technical services; 4) Software Asset Management (SAM) and licence Management services; 5) Software related advice services; 6) Web-based facilities dedicated to ordering (Catalogue, Requests for Proposals, Ordering); 7) Contract management, implementation and monitoring requirements.

Conditions d'obtention du dossier de soumission : The Invitation To Tender can be downloaded from the website "Portail des marchés publics" <https://pmp.b2g.etat.lu/>

Réception des offres : Tenders must be submitted electronically in English, received no later than 25/05/2020, 10 AM, through the website "Portail des marchés publics" <https://pmp.b2g.etat.lu/> In order to be valid, the Tenderers must submit the signed documents in PDF files with a qualified electronic signature, by a person empowered to represent them. Only tenders submitted on the portal before the day and time set by the contracting authority will be taken into account. Tenders submitted after the deadline, irrespective of the cause of the delay, will be excluded.

Informations complémentaires : Banque centrale du Luxembourg invites all interested economic operators to submit a Tender for the award of a multi-supplier Framework Agreement with cascade and reopening of competition with a maximum of five (5) Contractor(s) for the future provision of IT standard Software and related Services.
