

Commission de surveillance du secteur financier

Avis de marché

Procédure : européenne ouverte

Type de marché : Services

Ouverture le 26/11/2020 à 10:00.

Intitulé : Contract to implement, maintain and support a new ERP solution

Description : The CSSF currently relies on an integrated solution for accounting, procurement and invoicing processes.

The reason for issuing this Request for Proposal ("RFP") is to implement, support and maintain a new future proof solution that will cover the processes mentioned above in the context of the CSSF growing activities.

The new solution covering the entire scope of the RFP requirements must be live on January 1st 2022 (hard deadline).

Conditions d'obtention du dossier de soumission : Through the Portal for Public Procurement Contracts of the Grand Duchy of Luxembourg <https://pmp.b2g.etat.lu/>).

Réception des offres : Through the Portal for Public Procurement Contracts of the Grand Duchy of Luxembourg <https://pmp.b2g.etat.lu/>).
