Intitulé : 250015 - NEW CLUSTER FOR THE HPC PLATFORM

Description : The University wishes to acquire a new Tier-2 High-Performance Computing (HPC) cluster to replace the current infrastructure reaching end of its operational life, ensuring continuous access to powerful, flexible and energy efficient computational resources. The new system shall support the University's research, educational and innovation missions across multiple disciplines, complement the national Tier-1 MeluXina system and allow for experimentation with emerging technologies.
