SECTION II: OBJET DU MARCHÉ

Intitulé attribué au marché : RFP 220017 - TENDER FOR A FRAMEWORK AGREEMENT PROCEDURE – TEMPORARY EMPLOYMENT SERVICES

Description succincte du marché : The University wants:

- To implement a Frame Agreement with temporary employment agencies in order to manage peaks and troughs in workloads;
 - To conclude a Frame Agreement with temporary employment agencies able to support the University by providing temporary staff;
 - To be provided with qualified staff in line with the scope and requirements for each specific engagement;
 - To be provided with high quality temporary agency candidates who have the right mix of skills, experiences and qualifications, as required and specified by the hiring manager.
- Temporary staff will be remunerated and their administrative management will be carried out by the temporary agency. The employer of temporary staff shall in any event remain the temporary agency.

This Call for Tenders is aimed at concluding a Framework Agreement, fixed at one (1) year, renewable three (3) times for one (1) year (1 + 1 + 1 + 1) on the advice of the University, in order to retain several Contracting parties, without reopening of competition, known for their expertise in providing temporary employment services.
