Intitulé : Upgrade of the ESPON's Territorial Impact Assessment methodology - towards new innovative approaches

Description : The ESPON EGTC is conducting a Competitive Dialogue to define the most appropriate solution for upgrading and further expanding the ESPON TIA methodology, being applicable in national and subnational contexts. This activity aims at upgrading the ESPON TIA methodology in a way that it can be effectively used by national and regional policy makers at multiple territorial levels who would seek support for carrying out a TIA related to draft legislation, spatial and sectoral policies, EU funded programmes, etc.
