Intitulé : ENC_2025_008 - Governance Risk and Compliance (GRC) solution (Call for Applications)

Description : Encevo Group is strongly increasing its efforts regarding information security and business continuity across its footprint due to strong regulatory and security landscape evolutions. To increase collaboration, efficiency and assurance of the Global Information Security Program and Business Continuity Program, Encevo Group is looking to acquire an IT-oriented Governance Risk and Compliance (GRC) solution. The scope of the project covers the provision, implementation, integration and ongoing support of such a solution.
